

Madam Speaker, I have dedicated my life to Gandhi's words, "Nonviolence is a weapon of the strong." Nonviolence was the foundation of the Civil Rights and Quit India movement. I hope that all of my colleagues will appreciate the value of nonviolence as a means to achieving both domestic and global peace. I hope they will join me in support of this very simple resolution.

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 3, 2009

Ms. ROS-LEHTINEN. Madam Speaker, I would like to congratulate Dario Silva-Silva for being such an inspiring member of our south Florida community and for his community service and humanitarian work. His exemplary work and dedication to journalism, his church and our community.

Dario, born in Colombia, has been a Protestant preacher, social commentator and journalist for more than 30 years. His service has been promoted through numerous print media, radio stations and television channels. Silva is the minister of the Christian church The House Over the Rock, with twenty congregations in Colombia and one in Miami. He is the director of the television show "Hechos y Crónicas", which is seen in various countries in Latin American. In addition, he is a visiting professor at the Continued Studies School at the University of Miami Koubek Memorial Center and is a member of the Advisory Logo Counsel of the Christian College in Jacksonville. In 2001, the city of Miami recognized Dario for his inspiring work and dedication by declaring December 15 as the "Day of Reverend Doctor Dario Silva-Silva."

Once again, I would like to express my admiration of Dario for his dedication to journalism, his faith and the community. I wish him well and know that he will spend many more years serving his fellow man.

**HONORING THE STUDENTS,
TEACHERS AND ADMINISTRATORS AT
WAXHAW ELEMENTARY
SCHOOL**

HON. SUE WILKINS MYRICK

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 3, 2009

Mrs. MYRICK. Madam Speaker, I would like to honor and recognize the students, teachers and administrators at Waxhaw Elementary School in Waxhaw, North Carolina. During the month of November, Waxhaw Elementary students collected 2,742 food items for the school's 2009 Food Drive.

The food went to provide Thanksgiving meals to twenty-five families in the area. Families were able to come to the school to "shop" for Thanksgiving items, and were able to select either a ham or a turkey to complete their meal.

At a time when families across our area struggle to put food on the table, I am so impressed by the compassion and willingness to

help others shown by the Waxhaw Elementary family. Students not only contributed to the food drive, but were able to experience the reward that comes with helping others. What better lesson can we teach our young people, especially during the holiday season?

Madam Speaker, I am honored to say that I represent Waxhaw Elementary School. In a day and age where people tend to think only of themselves, here is a shining example of a group of young people who have reached out to make their community a better place by helping the less fortunate. I hope that this wonderful effort will continue at Waxhaw Elementary for many years to come.

**HONORING MR. STEPHEN
HODGKINS**

HON. MARSHA BLACKBURN

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 3, 2009

Mrs. BLACKBURN. Madam Speaker, it is a privilege to rise today to congratulate Mr. Stephen Hodgkins as he ends a successful term as President of the Memphis Area Homebuilders Association.

As homebuilders in Memphis and across Shelby, Fayette and Tipton County continue to weather an unrelenting storm of economic uncertainty, Stephen has provided a strong and steady hand of unwavering leadership that has shined as a beacon of hope and instilled confidence in MAHA members when his organization has needed it the most.

Throughout the course of his term as President, Stephen has been a relentless advocate for homebuilders and has worked tirelessly in reaching out to legislators in Nashville and in Washington, DC. Throughout our many discussions I have always found Stephen's advice to be insightful as we continue to look for ways to reinvigorate the housing market and alleviate the hardships that continue to face homebuilders across West Tennessee.

While the forecast for the housing market still remains unclear one thing that has always been certain is that Stephen's success as a leader is deeply rooted in the skills he has developed over 36 years as a mortgage banker and later through the launch of his home building company Oaktree Homes LLC.

Madam Speaker, I ask my colleagues to join me in congratulating Mr. Stephen Hodgkins for a successful term as President of the Memphis Area Homebuilders Association and wish him the best in all of his future endeavors.

**MEDICARE PHYSICIAN PAYMENT
REFORM ACT OF 2009**

SPEECH OF

HON. RUSH D. HOLT

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, November 19, 2009

Mr. HOLT. Mr. Speaker, I rise in strong support of the Medicare Physician Payment Reform Act, H.R. 3961, legislation that would ensure that physicians are reimbursed fairly for treating Medicare patients. Improving this payment system is vital to improving our nation's health insurance system.

There is broad consensus that the current Medicare formula for reimbursing physicians, the Sustainable Growth Rate (SGR), is fundamentally flawed. This formula would be eliminated by this bill and replaced with a better structure for Medicare physician payments. Without this necessary action, doctors' payments would be cut 21 percent in 2010, forcing many doctors to stop accepting Medicare patients and undermining the ability of millions of Medicare beneficiaries to get the care they need to stay healthy. I am pleased that this new formula would compensate physicians fairly for their services to seniors.

As a U.S. Representative and the spouse of a physician, I have heard from many physicians, nurses, and other health care providers frustrated with the annual ritual of preventing major Medicare physician payment cuts. I am pleased that this legislation, a crucial part of health care reform, would stop this cycle and reset the Medicare physician payment baseline to ensure seniors continue to have access to their doctors. In addition, this bill recognizes the importance of primary care, a key component of health reform, and would provide seniors with greater access to primary care practitioners. This would help seniors with greater coordination of their medical care and promote medical care that keeps seniors healthy.

In addition to stopping the Medicare physician payment cuts, the legislation also would implement the Statutory Pay-As-You-Go Act. This Act would require all new spending to be paid for and not increase the debt by instituting pay-as-you-go budgeting as law. I support pay-as-you-go rules because fiscal discipline must always be a hallmark of our government. In the 1990s with pay-as-you-go as the law, we turned the massive deficits of the 1980s into a record surplus under President Clinton. Pay-as-you-go is only one tool, but it is a strong one to return our nation back to fiscal stability.

I voted in favor of this bill to help physicians and health care providers continue to provide excellent service to our nation's seniors.

IN MEMORY OF NAO TAKASUGI

HON. ELTON GALLEGLY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, December 3, 2009

Mr. GALLEGLY. Madam Speaker, I rise in memory of Nao Takasugi, a former California assemblyman and Oxnard mayor, who passed away last week after 87 years of dedication to family, friends, his country and his community.

Nao and I served together on the Ventura County Regional Sanitation Board more than 30 years ago and he and his wife, Judy, quickly became friends with me and my wife, Janice. I have also been friends with his son Russell for more than 30 years through Russell's law partnership with Bob Huber. They are a close and strong family.

Nao was an incredible gentleman. I don't think I ever heard him raise his voice. His strength was in quiet determination, a will to do good always, and an undyingly optimistic outlook.

Nao's parents immigrated to the United States from Japan and set up shop in Oxnard, California, where Nao was born on April 5, 1922. When World War II broke out, Nao was
